Re: Freedom of Information Act Request EPA-R5-2015-007217

Dear Mr. Andreotto:

This letter responds to your Freedom of Information Act (FOIA) request dated May 19, 2015. You requested from the U.S. Environmental Protection Agency (EPA), "Budgets, Reports, and costs to date regarding the 'Buffalo River Restoration Project'" by June 23, 2015. On June 18, and June 26, 2015, you modified and narrowed your request to include releasable final technical and financial reports or other documentation related to the "Buffalo River GLLA Sediment Remediation and Habitat Restoration" project that could help in your evaluation of planned versus actual project costs, along with the names of the other GLRI-funded projects. On June 19, 26, and July 15, 2015, you agreed to extensions of time to respond to your request, and the FOIA response is now due July 24, 2015. This response covers documents within the control of the Great Lakes National Program Office (GLNPO).

The records responsive to your request will be published separately via FOIA online along with an index of the documents we are releasing. The Region 5 FOIA office will send you a link to the responsive documents via email. EPA will send a bill of collection for the costs incurred responding to your request under separate cover.

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, NW (2822T), Washington, D.C. 20460 (U.S. Postal Service Only), email: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, NW, Room 6416J, Washington, D.C. 20004. Your appeal must be made in writing and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the request number EPA-R5-2015-007217. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Please contact Ms. Mary Beth Giancarlo of my staff at (312) 886-2253 if you have any questions about this matter.

Sincerely,

Chris Korleski, Director
Great Lakes National Program Office
